## Online Quiz Competition on WED on the theme “Ending plastic Pollution Globally”

The CSIR-National Botanical Research Institute's (NBRI) Environmental Information, Awareness, Capacity Building and Livelihood Programme (EIACP) Centre conducted an engaging online quiz competition as part of pre campaign activity of World Environment Day-2025 focused on the theme “Ending plastic pollution Globally” on 04 June 2025. The event aimed to raise awareness about what single plastic is, and what are harmful impact of plastic pollution into the environment. The objective of this online quiz is to raise awareness and educate participants on the key principles and practices of single-use plastic reduced. It aims to test participants' understanding of the environmental, economic, and social aspects of plastic consumption distribution, and plastic waste generation. By participating in the quiz, individuals

will learn about strategies to promote reduce to use of plastic consumption and alternative and sustainable things use. The quiz also encourages informed decision-making about environment and single plastic waste reduce, fostering a deeper connection to sustainability and encouraging proactive action for a healthier planet.

The poster is for an online quiz competition titled "#BeatPlastic Pollution Online Quiz" held on World Environment Day 2025. It is organized by the Ministry of Environment, Forest & Climate Change (MoEF&CC), Government of India, in collaboration with the CSIR-National Botanical Research Institute (NBRI) Environmental Information, Awareness, Capacity Building & Livelihood Programme Centre (EIACP-PC-RP). The event is scheduled for 04 JUNE 2025, from 04:30 PM TO 05:00 PM. The theme is "Ending Plastic Pollution Globally". The poster features logos of the Government of India, MoEF&CC, NBRI, and various international organizations. It includes a QR code for registration, a link to the forms, and a cartoon character holding a broom. The poster also mentions the "One Nation, One Mission: End Plastic Pollution" campaign and provides contact information for queries.

NBRI-EIACP PROGRAMME CENTRE ON PLANTS AND POLLUTION

**Reduce Reuse Recycle**

**DID YOU KNOW?**

Plastic pollution is out of control. Fueled by unsustainable production and consumption, the rapidly increasing levels of plastic pollution have created a serious environmental problem on a global scale, putting the world's health and economy and social well-being at risk.

**NOTE:**  
Quiz link will be available on 4 June, 2025 from 04:30 pm. No Registration fee will be charged.  
The top three winners of the quiz will receive "e-certificates" based on their rankings in the competition on 5 June World Environment Day 2025.

**Mobile no.:** \*

(Digits Only)

Short-answer text

**Age Group:** \*

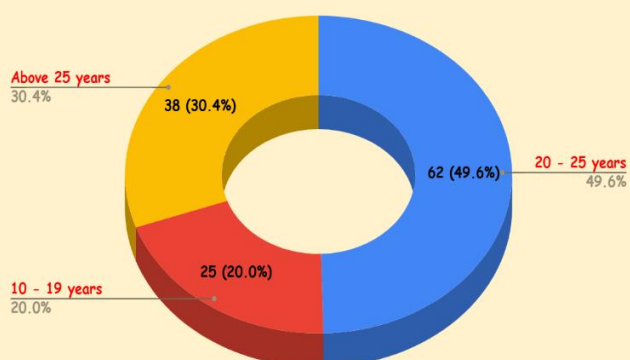

☐ 10 - 19 years

☐ 20 - 25 years

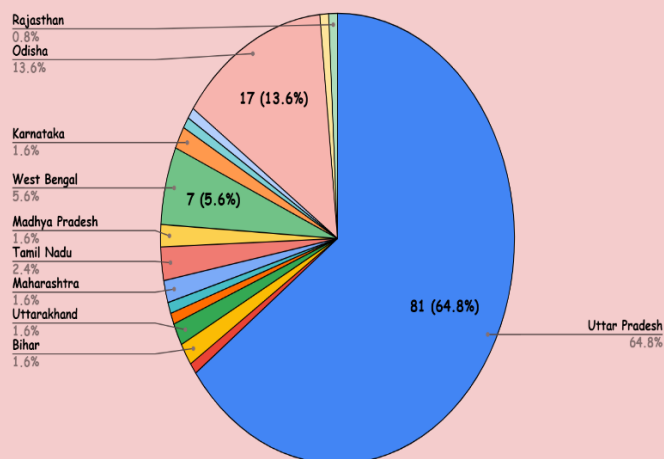

A total of 125 participants registered for the quiz, grouped into three age groups (10-19, 20-25, and above 25 years), showcasing their significant interest in the event. These participants are from 10 different states of India. The majority of the participants were from Uttar Pradesh (64.8%), Odisha (13.6%), and West Bengal (5.6%). These participants include students of various educational backgrounds such as B.Sc., M.Sc., B.Com, BBA research scholars, project associates, education advisors, assistant professor, lecturer, and scientific assistant, etc. This diverse representation reflects the widespread interest and engagement in the WED-2025

celebration and the global effort to end pollution across academic and professional domains.

The Questions were meticulously designed to cover various practical and impactful topics, including why we are celebrating the WED-2025 and related to this year's theme, ending the pollution globally for environmental sustainability, reducing to single use plastic.

SUPs are items or packaging of products are:

☐ a. A kind of biodegradable plastic

☐ b. A plastic item that can be used many times

☐ c. Recyclable plastic items

☐ d. Used only once and then discarded

After section 10 Continue to next section

Section 11 of 26

Section title (optional)

Description (optional)

What is the minimum thickness of plastic carry bags as per the Plastic Waste Management (Amendment) Rules, 2021?

☐ a. 50 micron

☐ b. 75 micron

☐ c. 100 micron

☐ d. 120 micron

The theme of WED-2025 is:

☐ a. Reduce Plastic Pollution

☐ b. Beat Plastic Pollution

☐ c. Ending Plastic Pollution Globally

☐ d. Ending Plastic Pollution

After section 5 Continue to next section

Section 6 of 26

Section title (optional)

Description (optional)

In which year, U.N. Conference on Human Environment was held at Stockholm

☐ a. 5-16 June 1962

☐ b. 5-16 June 1972

☐ c. 5-16 June 1982

☐ d. 5-16 June 1992

Which item contains single-use plastic \*

☐ a. Eyeglass lenses

☐ b. Cigarette butts

☐ c. Car tyres

☐ d. Canvas bag

After section 12 Continue to next section

Section 13 of 26

Section title (optional)

Description (optional)

Which country has officially banned microbeads under the Microbeads (Prohibition) Act 2019? \*

☐ a. Taiwan

☐ b. India

☐ c. China

☐ d. Ireland

After section 13 Continue to next section

In which year did the Indian government announce the ban on the use of certain single-use plastic items as part of its initiative to combat single-use plastic? \*

☐ a. 2018

☐ b. 2019

☐ c. 2021

☐ d. 2022

After section 14 Continue to next section

Section 15 of 26

Section title (optional)

Description (optional)

What does "Mission LIFE stand for in the context of the Indian government's environmental initiative? \*

☐ a. Lifestyle for Environment

☐ b. Living in Future Environment

☐ c. Low impact for Environment

☐ d. Leadership in Future Environment

The winners of the quiz competition received rank certificates, while all the participants of the quiz received participation certificates.

S.No.	Position	Name of Participant	Institute	Score
