# Report on Swachhata Actions: Cleaning Drive

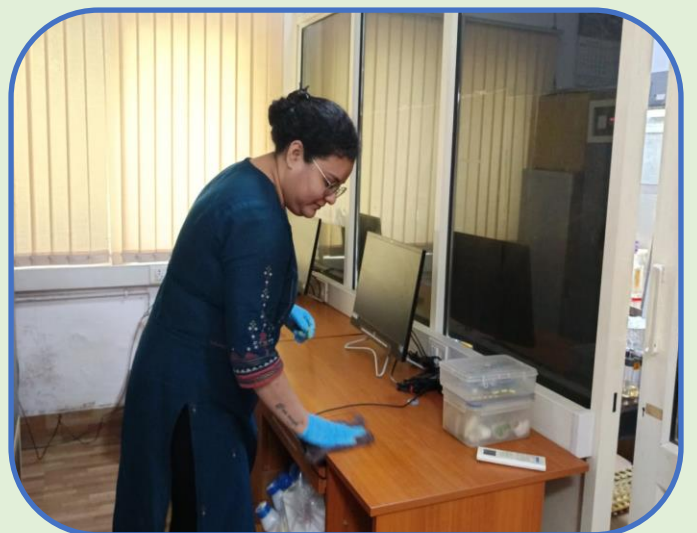

A cleanliness drive under **Swachhata Actions plan** was conducted at **K.N. Kaul Block, CSIR-NBRI** campus, Laboratory of Environmental Technology Division on 09-May 2024 3.00 PM-5.00 PM by the staff members of **EIACP-NBRI Program Centre**.

The objective of this drive was to spread awareness amongst people and enlighten them about the importance of the environment as a part of **“Swachh Bharat mission”** and to mobilize people and mass movement for cleanliness to contribute to Mahatma Gandhi’s dream of a **“Clean India”**

In the campus cleanliness drive, 35 volunteers (including staff members, scientist and research scholars) were taking active part and cleaned campus and laboratories by collecting degradable and non-degradable solid waste which include glass bottle, tins, cans, plastic waste, expired chemicals and hazardous waste.
