Mission LiFE awareness among KVS Students

Session on Mission LiFE by NBRI-EIACP in collaboration with CSIR-Jigyasa
(10th Nov 2023)

The event started with the introduction of Mission LiFE initiative and its main objectives to the students from Kendriya Vidyalaya, who visited CSIR-NBRI on November 10, 2023. These students were introduced to the significance and role of Mission LiFE, as well as the NBRI-EIACP's outreach initiatives.

Dr. Anju Patel, Scientist and Co-coordinator, NBRI-EIACP addressed the role of NBRI-EIACP in achieving the Mission LiFE goals, with a special emphasis on the individual action items to living a sustainable life. Students learned about the LiFE MISSION and their role in promoting sustainable development in numerous areas of life.

She also encouraged students to utilize organic products and discussed the detrimental effects of single-use plastics in depth.

Students also took **Mission LiFE Pledge** and enjoyed clicking selfies at Mission LiFE selfie point. 26 students participated in the session.

NBRI-EIACP team members distributed newsletters, flyers, and brochures to the teachers as well as to the students.
