SEMINAR ON “INDUSTRY, ECONOMIC DEVELOPMENT & ENVIRONMENT”

Jointly Organized by

**Associated Chambers of Commerce and Industry of U.P.,
CSIR-NBRI & NBRI-EIACP**

The Seminar on Industry, Economic Development, and Environment was a significant gathering of experts, policymakers, academics, and industry professionals who converged to discuss the intricate relationship between industry, economic growth, and environmental sustainability. The event provided a platform for insightful discussions and knowledge exchange on the challenges and opportunities at the intersection of these crucial aspects. More than 50 delegates joined the event.

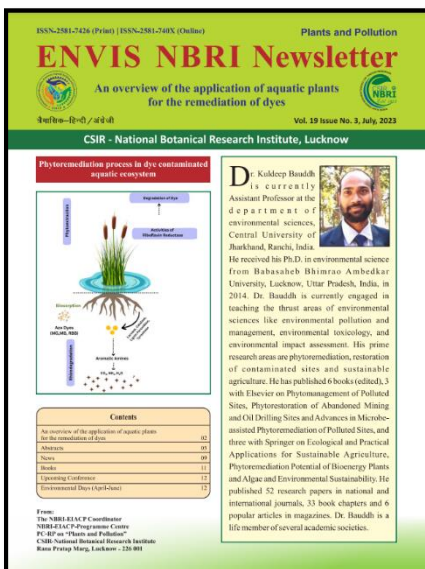

After the Lamp lighting and Saraswati Vandana, **Shri LK Jhunjunwala**, *President of Associated Chambers of Commerce and Industry, Uttar Pradesh* welcomed the guests and formally started the event following which **Shri Virendra Nath Gupta**, *Secretary General, of Associated Chambers of Commerce and Industry, Uttar Pradesh* briefed about the event and explained the linkage on ever-increasing commercial sector with environment issues.

He also talked about the Mission LiFE, an India-led global mass movement to nudge individual and community action to protect and preserve the environment.

Dr. Ajit Kumar Shasany, Director, CSIR-NBRI, put forward a view on the subject where he stressed the delicate balance between economic growth and its impact on the environment. He also discussed strategies to achieve sustainable growth while mitigating environmental damage as well as the role of green finance and investment in promoting research related to the same.

NBRI-EIACP released the **July-September** issue of the ENVIS Newsletter titled - '**An overview of the application of aquatic plants for the remediation of dyes**' on the occasion.
